

Stand up, spin around and then stick out your tongue.

Stomp your feet, make an angry face and then say "grrrr!"

Wave hello, jump up and down and then clap your hands.

Stand up, touch your chair and then turn around.

Tap your toes, clap your hands and then say "woo hoo!"

Cover your eyes, pretend to sneeze and then smile.

Spin around, give a thumbs up and then raise your hand.

Wave to me, stand up and then give me a high five.

Touch your nose, then touch the table and then touch your ear.

Pretend to throw a ball, jump up one time and then clap.

Shake my hand, then laugh and then pretend to be a cat.

Clap your hands, smile and then jump up and down.

Walk around the table, run in place and then clap your hands.

Pretend to eat a hamburger, knock on the table and then stick out your tongue.

Knock on the table, make a sad face and then raise both of your hands.

Bark like a dog, stomp your feet and then stand up.

Touch your hair, give me a high five and then tell me your name.

Show me a sad face, shake your head and then clap your hands.

Raise your hand, wiggle your fingers and then stand up.

Give me a high five, tell me your last name and then put your head down.

Look at the ceiling, meow like a cat and then give me a thumbs up.

Tell me your name, pretend to drink water and then stand up.

Give me a thumbs up, stand up and then spin around.

Look at the floor, stand up and then walk to the door.
