

As smooth as glass

Wrong side of the bed

Feast your eyes

Like I need a hole in the head

Butterflies in my stomach

As pleased as punch

As quiet as a church
mouse

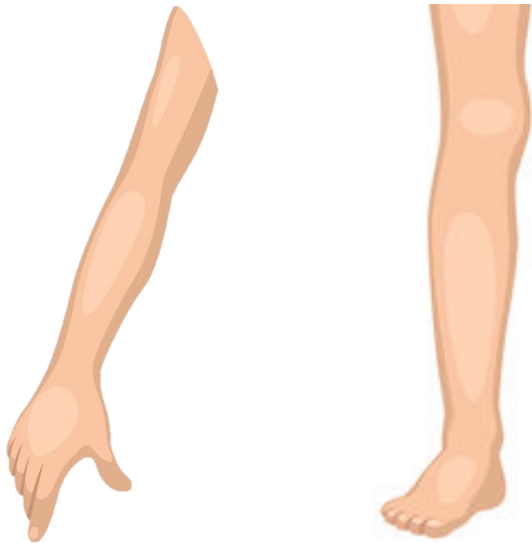

As if I were born yesterday

As easy as pie

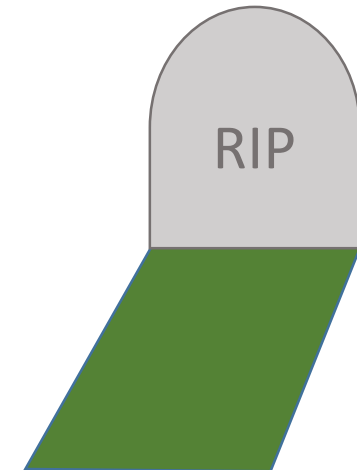

Cost us an arm and a leg

My number was up

One foot in the grave

A wolf in sheep's clothing

The cat who swallowed
the canary

Like a fish out of water

As free as a bird

Sick as a dog

When donkeys fly!
